Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for formal amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying any of **the old L-3 subsidiaries listed above** will not require an amendment to reflect these changes. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying any of **the old L-3 subsidiaries** on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect these changes. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications identifying any of **the old L-3 subsidiary names listed above** will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the address change in the executed agreement.
